Direct Push

Health & Safety

- 100% of field teams OSHA & LPS trained
- Certified and approved contractors with BROWZ, TWIC, Avetta (PICS) and ISNetwork
- API WorkSafe Certified
- BP, Chevron 101, Shell Life saving rules
- CSX, AMTRAC, NJ Transit, Conrail, LIRR
- ConEd and AKZO Nobel
- 2015 EMR Rating: 0.72

Fleet Maintenance

- Full-time Fleet Director
- 5 full-time mechanics
- State-of-the-art equipment running 96.8% uptime

Equipment

- Sonic (3)
- Air Rotary (3)
- Hollow Stem Auger (4)
- Probes (11)
- Injection Skid, Multi-port (1)
- Air Knife Units (8)
- Support/Tenders/Liftgate (36)
- Tow Behind Compressors (9)

Services

- Soil Borings
- Monitoring Well Installations
- Air Knife/Vacuum Excavation
- Discrete Soil & Water Sampling
- Injection (Remedial)
- Thermal Remediation Borehole Drilling
- Geotechnical Borings
- Rock Coring
- Well Abandonment
- Test Pits
- Packer Testing
- Vapor Extraction Points
- FLUTE Liner Installation
- MIP/UVOST/HPT
- CMT Certified Well Installations
- Surveying

Summit Drilling

is the leading provider of environmental *drilling* and *injection* services in the Northeastern U.S.
